Corbett National Park

The Corbett National Park, a heaven for the adventure seeker and wildlife watcher, comprises 520.8 sq. km., area of hills, river belts, plateau, ravine, savanna grass lands and large lake. The elevation ranges from 1300 feet to 4000 feet. Winters nights are cold (min 4 c to max 8 c), the days are bright and sunny (min 20 c to max 25 c). Summer nights are cold (min 15 c to max 20 c) and days are warm (min 20 c to max 35 c). Generally, it rains from July to September.

As a visitor your discovery of Corbett Jungle will include species of 50 mammals, 580 birds, 25 reptiles, 110 species of trees, 51 of shrubs and 33 of wild cats, four of deer and wild bear. Avifauna includes several species of ducks, birds of prey and the delightful khali p pheasant. Reptiles include Crocodile, snake, monitor and other lizards. Anglers will find the river with game fish such as mahaseer and malee.

Experience all the excitement and exhilaration of holidaying in the heart of the Corbett Park, right where all the action is. In the Lapp of nature at its most raw, where the law of jungle prevails. Predators prowl the wild path ways. Birds shriek in the skies and reptiles slither across the earth.

Adventure Activities

The resort organizes a host of Adventure Activities like Two to Three Days Elephant and Jeep Safaries, River Rafting, Rock Climbing, River Jumping, Rappelling, Nature Walks, Bird Watching, Fishing & Angling, Sight seeing to nearby exotic destinations.

stunning wildlife

luxurious accommodation

Corbett Tiger Den Resort is spread over an area of 6 acres, is one of the finest resort in Corbett. Exotic mixed shrubbery, alive with flowers is crossed by pebbled paths lead to charming cottages with sit-outs. The wonderful stillness is broken only by the sound of the natural water and myriad birds.

Independently air-conditioned cottages form a restful backdrop to verdant environs, sloping tiled roofs, cool stone floors will throw rugs, black wood furniture allows maximum comfort while continuing the illusion of being in the wilds. The cottages blessed with every luxury needed here, is a great hideout for nature enthusiasts, researchers, writers, artists and folks in need of getting away.

The sprawling swimming pool are incredibly blue the high ceiling den house gives elegant shelter for lounging of indulgent dining, the erratic lawns do turn and rise into surprising landscape. The library, and open deck invites the visitors to re-read Corbett's man eaters of kumaon.

The cottages has a clear area separation for sleeping and living as in a suite, with attached toilet & bath with running hot & cold water.
